

2018 Firefighter Safety Stand Down Bulletin

Developed and Supported by: The Valley Safety Officers and ROCC

June 17-23, 2018

Please use one full work-day to dedicate and discuss topics related to Safety, Health, and FF Survival. We have provided below, resources that you can use for crew/ battalion level discussions and tabletop training.

It's that time of year again to place a spotlight on FF Safety, Health, and Survival. Although Safety, Health, and Survival should be a main focus for all of us every day, this week gives us an opportunity to review some important materials and discuss, as a crew and/or battalion, how we will continue to strive to improve in these areas.

This Year's Valley Safety Officer's Main Topic is:

REHAB

Come Join Us at the 2019 FDSOA Safety Conference in Orlando

If you have any questions, please reach out to Eric Valliere (Western Director for FDSOA)

2019 FDSOA Annual Safety Forum will be combined with the Annual Apparatus Specification & Safety Symposium! January 21-24, 2018 - [Click Here](#)

The Valley Safety Officers (VSO) Committee would like to thank you for your time spent this week focusing on FF Safety, Health, and Survival. Be safe and take care of each other.

For further information or needs from the VSOs, please contact the Chairs:

Eric Valliere at evalliere@scottsdaleaz.gov or

Michael Ong at michael.r.ong@phoenix.gov

If your department would like to participate on the Valley Safety Officers Committee, please reach out. We welcome the participation!

The Valley Safety Officers, a sub-committee of the Regional Operations Consistency Committee (ROCC), has membership from all auto-aid partners (labor and management) throughout the Phoenix Metropolitan Area (AZ)
